Come to the library and find out!

Learn a new poem and create your own
poem-based shadow puppet!

Inspired by Lewis Carroll's "Jabberwocky," we will create shadow puppets and act out selections from this beloved poem. Special attention will be given to creating puppets with texture and movement which mimic the rich sounds and made-up words in this poem. Words as a creative act will be explored. Additional **take-home kits** with poems and puppet-making supplies are provided for family summer poetry-reading and puppet-making!
